16. In a letter dated 30 November 2006, Iran agreed to permit the Agency to re-sample equipment at the technical university in Tehran where a small number of natural uranium (NU) and HEU particles were found on samples collected in January 2006 (GOV/2006/53, para. 24). The re-sampling was carried out on 22 December 2006, the results of which showed NU and LEU particle contamination. The Agency is awaiting clarification by Iran with regard to the origin of the uranium particle contamination found in the January and December 2006 samples.

17. Iran has not yet responded to the Agency's long outstanding requests for clarification concerning, and access to carry out further environmental sampling of, other equipment and materials related to the Physics Research Centre (PHRC); nor has Iran agreed to permit the Agency to interview another former Head of the PHRC.
